Features	Benefits
<b>Impressive Screen</b>	
<b>Press and Be Impressed</b>	As you enter characters or commands your finger receives a subtle signal to let you know the device is responding to your input.
<b>Multimedia</b>	
<b>BlackBerry Media Sync</b>	Sync your desktop iTunes® music files with your BlackBerry smartphone. BlackBerry® Media Sync makes getting more from your music quick and easy! <sup>1,2,3,4</sup>
<b>Media Player &amp; Expandable memory capability</b>	You can listen to your tunes or watch your videos on the built-in media player. And, you can use microSD cards to expand the amount of memory available to 16 GB to accommodate your music and image files. <sup>5,11</sup>
<b>Camera and Video Recording</b>	
<b>3.2-MP camera, auto flash, auto focus, 2x digital zoom</b>	Take a shot with this quality digital camera. Then share it with friends, family and contacts in an email or picture message. <sup>6</sup>
<b>Instant video on the go</b>	Capture all the action with the built-in video camera. Then replay it with the built-in media player or share it in an email or picture message. <sup>6,9</sup>
<b>HSPA Compatibility</b>	
<b>Data and Voice</b>	Take calls while sending and responding to email or browsing the Internet. <sup>6,8,17</sup>
<b>Browser</b>	
<b>HTML Browsing</b>	For work or for fun, get the information you need online. <sup>6</sup> The BlackBerry Storm smartphone delivers a responsive, dynamic browsing experience. You'll wonder how you ever got by without it. <sup>17</sup>
<b>Mobile Streaming</b>	In the car, at a restaurant or even the park, access videos, music or sports and news clips from web sites built for mobile streaming. <sup>6,10</sup>
<b>GPS &amp; BlackBerry Maps</b>	
<b>Built-in Global Positioning System capabilities</b>	Use the GPS capabilities with BlackBerry Maps or other third-party mapping applications to access text-based turn-by-turn directions and route maps. <sup>6,13,14</sup>
<b>Phone</b>	
<b>Full-Featured Phone</b>	The tools you need to make calls – and life – easier. Have the features of a professional desktop phone with you when you're between appointments or stuck in traffic. <sup>8</sup>
<b>Email &amp; Messaging</b>	
<b>View attachments</b>	Open popular document and graphic attachments and view them with LCD-quality colour and clarity. <sup>11</sup> That includes JPEG, Adobe® PDF, Microsoft® Word, Microsoft® Excel and Microsoft® PowerPoint files.
<b>Edit Microsoft® Word, Excel and PowerPoint® Files</b>	Download attachments and get to work – copy and paste, font size and colour, even bullets, numbering and more. <sup>12</sup> The LCD display's colour and clarity make working on the go an invaluable option.
<b>Text, Picture and Instant Messaging</b>	
<b>Send and receive text, picture and instant messages (SMS, MMS and IM)</b>	Keep in better touch with your contacts who like to use text <sup>8</sup> and picture <sup>6</sup> messaging. Or chat from just about anywhere with Windows Live™ Messenger for BlackBerry® smartphones, Yahoo! Messenger for BlackBerry® smartphones, AOL® Instant Messenger™ for BlackBerry® smartphones and ICQ® for BlackBerry® smartphones. <sup>6</sup>
<b>Social Mobility</b>	
<b>Mobilise your social life</b>	The BlackBerry Storm smartphone comes preloaded with custom-built social networking applications like Facebook® for BlackBerry® smartphones as well as mobile instant messaging and photo uploader programs. <sup>6</sup>
<b>BlackBerry® Services</b>	
<b>BlackBerry service</b>	Right out of the box, the BlackBerry Storm smartphone is ready to impress. With activation, you've got the freedom to browse the Internet, make a call or chat with an instant messaging contact, from just about anywhere. <sup>6,8,15</sup>
<b>Business ready</b>	The BlackBerry Storm smartphone is ideal for businesses of all sizes. For small to medium-sized businesses, BlackBerry® Internet Service, Hosted BlackBerry® services and BlackBerry® Professional Software are designed to offer affordable, easy-to-set up solution options. For large organisations, BlackBerry Enterprise Solution is designed to provide advanced security features, enterprise-grade functionality and hands-on control to implement a comprehensive wireless solution. <sup>15</sup>

For more information, visit [www.blackberry.com/uk](http://www.blackberry.com/uk)

1. For BlackBerry Media Sync to work your media enabled BlackBerry smartphone must be connected to your computer via a USB cable. Certain music files may not be supported by the media player, including incompatible file types and files that contain digital rights management technologies. 2. BlackBerry Media Sync is compatible with devices featuring BlackBerry Device software v4.2 or higher. Devices that do not feature built-in mass storage capabilities (significant amounts of on-board memory) will require a microSD card to be properly inserted. Please visit [www.blackberry.com/mediasync/microSD](http://www.blackberry.com/mediasync/microSD) for a list of devices requiring microSD cards. 3. BlackBerry Media Sync is compatible with 32-bit editions of Windows XP Service Pack 2 which can be used with iTunes version 7.0 or higher AND 32-bit editions of Windows Vista which can be used with iTunes version 7.2 or higher. Not compatible with Windows 2000 or with MAC OS. 4. All applicable charges will still apply for the purchase of music from iTunes. 5. The BlackBerry Storm smartphone accepts microSD cards of various sizes; the amount of storage is determined by card capacity. Two, four and eight-megabyte microSD cards may be sold separately. 6. Requires activation with data plan. 7. The ability to send pictures is not supported by all instant messaging programs. Check with your IM provider for supported features and services. 8. Requires activation with voice plan. 9. Depending on the amount of built-in memory available for use, a third-party microSD card may need to be properly inserted into the BlackBerry Storm smartphone to enable the video recording feature. microSD cards may be sold separately. 10. The BlackBerry Storm smartphone is designed to access 3GPP RTSP mobile streaming websites. When the streaming functionality is accessed via the WAP Browser, significant, additional charges may apply. Check with your service provider for supported features and services. 11. For a complete list of supported file formats visit [www.blackberry.com/go/attachmentsupport](http://www.blackberry.com/go/attachmentsupport). 12. The BlackBerry Storm smartphone does not support Microsoft 2007 files. 13. For details services and their coverage areas visit [www.blackberry.com/maps](http://www.blackberry.com/maps). 14. Purchase of BlackBerry Storm smartphone does not necessarily guarantee subscription to BlackBerry Internet Service. Check with service provider for details. 15. Requires BlackBerry Enterprise Server. 16. Check with your service provider for supported features and services. 17. Simultaneous voice and data connectivity is only available when the BlackBerry Storm smartphone is connected to a HSPA GSM network.

Check with your service provider for roaming arrangements, service plans and supported features and services. Certain features outlined in this document may require a BlackBerry Enterprise Server software v4.1.5, BlackBerry Desktop Manager and/or BlackBerry Device Software v4.5.

When you subscribe for, acquire, or use third party products and services with RIM products or services you accept that: 1. It is your sole responsibility to (a) ensure that your airtime service provider will support all of their features; (b) identify and acquire all required intellectual property and other licenses prior to installation or use and to comply with the terms of such licenses; 2. RIM provides such products and services on an "AS IS" basis with no express or implied conditions, endorsements, guarantees, representations or warranties of any kind, and assumes no liability whatsoever with respect to them.
